## EDUCATION

### City University (Hong Kong)

2011 Mar - 2011 Aug

Area of Study: Accounting, Business Law, Companies Law, Management, Corporate Finance

### Rutgers University at New Brunswick, Rutgers College (New Brunswick, NJ)

2006 Sep - 2010 May

Area of Study: BA in Economics, Minor in Music

## EXPERIENCE

### Javascript Engineer

*Honey, New York*

2015 Nov - Present

- Work closely with the CTO, lead software engineer and UX/UI Designer to build out front end features for the core product, a RESTful API-based intranet / social networking platform designed to streamline collaboration and content sharing.
- JavaScript-heavy role with a focus on node.js and React + jQuery and LESS; Build tools include Browserify and Gulp.
- Backend server in Python + SQL.
- Android app development and deployment with React-Native and Java.

### Implementation Engineer

*Sailthru, New York*

2014 Feb - 2015 - Oct

- Help clients with their onboarding process in the company's online marketing platform utilizing RESTful APIs. Clients range from small to mid-sized startups to well-established companies and corporations. Technology stacks include Javascript, HTML5, CSS and Zephyr, a proprietary scripting language written in PHP/Java.
- Worked closely with account managers to solve client issues.
- Conducted client training sessions on the company product as well as create technical documentation for the product.
- Collaborated with development team to improve UX/UI features as well as functionality.
- Write custom code scripts to transform client data / internal working tools.
- Execute and develop proof of concepts that were critical to the sales process for prospective clients

### Expert in Residence

*General Assembly, New York*

2014 Jan - 2015 Apr

- Assistant instructor in part-time 10-week front end development classes.
- Assisted in brainstorming curriculum for students. Topics include HTML, CSS, Javascript, jQuery
- Held office hours for students, assisted and gave ideas / guided students in their final projects.

### Senior Audit Associate / Audit Associate

*PricewaterhouseCoopers, Institutional Group, Hong Kong*

2010 Oct - 2013 Apr

- In charge of team during field audits of small companies.
- Prepared analytics on the balance sheet and income statement of client companies
- Coached and managed junior audit associates on the audit engagement.
- Drafted Financial statements in accordance to International Financial Reporting Standards (IFRS).
- Involved in the audit of multi-national companies and corporations. Clients included Hutchison Telecommunications Ltd., Lenovo Group Limited, COSCO Industry and Trade Ltd.
- Prepared analytics and tested for accuracy on various accounts of client companies (e.g. Fixed assets, Inventory, Trade receivables, Trade payables)
- Performed tests and identified weaknesses of internal controls over the financial processes to ensure effectiveness.
